Melissa's Note

Dear Parents,

It is hard to believe that this is our last month of school!! The school year feels like it has gone by quickly and a new school year will be here before you know it! I have enjoyed watching all of our VBCC students grow throughout the past 9 months. Our younger friends have developed so much language, our older friends are busy with all kinds of cognitive activities, and our almost graduates are showing many great signs of kindergarten readiness. All of our classes have formed such wonderful friendships and are enjoying each other's company throughout our school days! Please remember to keep those friendships going during the summer months. Our playground is a great place to spend hot summer days. Many classes organize weekly playdates and even bring a picnic lunch...it is a great way to spend a day with friends! Please note that our playground will be closed from May 28-May 31 for our teacher work-days. It will re-open June 1st. Vienna Baptist Church will host VBS from July 29- August 1. More information will be put in mail pouches soon regarding VBS registration.

We distributed our 19-20 school year calendar in registration packets a few weeks ago. We will be emailing class lists by class on August 23rd. Our Open House days will be on September 3rd and 4th and our first days of school will be on September 5th and 6th. Our school wide Back to School Night will take place on September 9th from 6:30-8:00, for parents only. Please remember to complete the Parent Health Form over the summer. The "Health Statement" side needs to be completed each year. Also, please remember an updated immunization record is due every year for each child, and a full health form must be completed for any new students joining VBCC. Thanks for working hard to take care of these documents and submitting them to the office by August 10th. We will begin emailing back to school reminders at the end of July and everyone will receive a mailing from us in August. VBCC is looking for substitutes/paid aides for the upcoming school year. If you are interested in being on our sub list please send me an email or stop by my office.

For those of you moving on to new adventures next year, we wish you and your family all the best. For those of you returning to VBCC in the fall, we will be excited to see everyone in September. I hope everyone has a wonderful summer filled with family, friends, and fun!

Sincerely,
Melissa
