October 2022

Melissa's Note

Dear Parents,
 October has arrived!! You can still see a few tears each morning at drop off but they only last a few minutes and then we begin to join in play. Everyone has started enjoying circle time activities and exploring new toys in the classrooms each morning. I have seen a lot of fun fall art work being created as well! There have been lots of gross motor activities out on the playground and we started bikes this week! Our chapel program will begin next week and everyone is settling into their classroom routines. The calm of October is here and another fun school year is now in full swing!

During the month of September all of our students were busy making a special art project for our fall fundraiser ,Original Works. It is a program that takes your child's artwork and turns it into custom keepsakes featuring each child's masterpiece. A preview of the artwork will be sent home around October 24th and the deadline for online ordering is November 2nd. This deadline will ensure that the special keepsakes arrive before Christmas break. They make great gifts! For more information about the program visit originalworks.com/parents.

We are excited to welcome our Rainforest families to the Parlor for parent teacher conferences next week. Our Treehouse conferences will start at the end of the month and the Swamp conferences will begin in November. It is a great chance for teachers to connect with families about how everyone is adjusting to a new school year.

We hope you all are finally enjoying some nice weather! We hope you enjoy some wonderful family time of apple picking, pumpkin farms and fall festivals!

Sincerely,
 Melissa
